

MOBILE CRISIS response TEAMS

In an effort to expand crisis services in the community, **Pine Belt Mental Healthcare Resources** has established a **Mobile Crisis Response Team**. This specialized behavioral healthcare team will evaluate your behavioral health needs and access the most appropriate treatment possible.

What are Mobile Crisis Response Teams?

Mobile Crisis Response Teams provide community-based crisis services that deliver solution-focused and recovery-oriented behavioral health assessments and stabilization of crisis in the location where the individual is experiencing the crisis.

Mobile Crisis Response Teams work hand-in-hand with local law enforcement, Chancery Judges and Clerks, and the Crisis Stabilization Units to ensure a seamless process.

Mobile Crisis Response Teams ensure an individual has a follow-up appointment with their preferred provider and monitor the individual until the appointment takes place.

Who Can Be Served by a Mobile Crisis Response Team?

Mobile Crisis Response Teams target individuals experiencing a situation where the individual's behavioral health needs exceed the individual's resources to effectively handle the circumstances.

How Can a Mobile Crisis Response Team Help?

Without mobile crisis intervention, an individual experiencing a crisis may be inappropriately and unnecessarily placed in a jail, holding facility, hospital, or inpatient treatment program. The goal is to respond in a timely manner to where the individual is experiencing the crisis or meet the individual at a designated location such as the local hospital.

Who Makes Up a Mobile Crisis Response Team?

A **Mobile Crisis Response Team** is staffed with a Master's level Mental Health Therapist, Community Support Specialist and Peer Support Specialist.

How Can I Access a Mobile Crisis Response Team?

Individuals, families, law enforcement, clergy, ERs, chancery courts and anyone concerned about an individual who is experiencing or at risk of a psychological crisis can request assistance from a **Mobile Crisis Response Team**. The Teams are available 24 hours a day, seven days a week throughout the Pine Belt area.
